

## VIRTUAL LIVE EVENTS

# Your Turnkey Virtual Events Partner

- ✓ Making Virtual Events as Successful as In-Person Events
- ✓ Bringing Together Speakers and Attendees
- ✓ Internal and External Company-wide announcements, addresses, training and on boarding

## Unmanaged Virtual Events put you in a bad light.

### LOSING YOUR MESSAGE

Events provide the perfect opportunity to deliver content - if the event is unsuccessful, the message will be lost or diluted.

### MIXING TECHNOLOGIES

With speakers and attendees joining from a mix of technologies and platforms, getting them all working together can be challenging.

### NEGATIVE IMPRESSION

Unmanaged Virtual Events can give a negative impression of your organization to both speakers and attendees.

## Stay center stage - leave behind the scenes to Yorktel.

We understand how imperative a well-produced virtual event is to your company.

Flexibility to stream from Cisco Webex, Microsoft Teams, Pexip or Zoom to any device.

Over 2 decades of experience managing virtual, hybrid and in-person events.

Top level certifications held across industry leading events and collaboration platforms for the optimal end user experience.

Supporting Hollywood A listers to Fortune 100 CEOs and top Government agencies has resulted in a vast depth and breadth of knowledge and experience.

# Creating the Polished, Professional Event Your Organization Deserves.

**Increased  
Engagement through  
Professionally  
Delivered Audio,  
Video and Content**

**Positive  
Experience for  
Speakers and  
Attendees**

**High Quality Event  
Recording for On  
Demand Viewing**

**Gain Insight from  
Consolidated Pre and  
Post Event Metrics  
and Analytics**

**Remain Focused  
on Event Content,  
not the Logistics**

**Make sure that all eyes are on you for the right  
reason - the event's success, not its failure.**

You want to deliver a high quality event, but lack the knowledge, experience, time or resources to be able to accomplish it.

This runs the risk of the event failing, publicly.
